MUSIC GO ROUND HAS GREAT Business GIFT FOR GRADS & DADS spotlight

MUSIC GO ROUND offers everything from guitars and ukeleles to recording equipment, percussion instruments, keyboards, brass instruments, band equipment and related accessories for all items. According to president Kevin Johnson, "It's the ideal time to purchase an instrument or gift card for the budding musician or graduate in the family." He added that Music Therapy is a growing area that not only helps young people to learn, but also helps relieve stress and anxiety in both young people and adults.

MUSIC GO ROUND has been buying, selling and trading musical instruments and equipment on Bethel Road since 1996. Currently located in Carriage Place at Bethel and Sawmill, Johnson said the store has the most instruments to choose from than it has had in years. "We're well-stocked just in time for graduation gifting and Father's Day," he said.

"We are seeing quite a few empty nesters coming into the store. There seem to be a lot of people who played in bands when they were younger and now have the time to go back to it. It doesn't have to be a big investment as you can save 20-50% buying used versus new," said Johnson.

Follow MUSIC GO ROUND on Facebook and Instagram to see what's new. The selection is always changing!
